

SANTA MARGARITA
PEDIATRIC DENTISTRY

**Treatment of Minor Consent
No Parent/Legal Guardian Present**

At Santa Margarita Pediatric Dentistry, we understand that from time to time you may not be able to bring your child to their dental appointment. We will treat your child without you present for any and all dental procedures provided that:

- 1. The minor child (under age 14) is accompanied by an adult (18 or older).**
- 2. The parent/legal guardian is available by telephone.**
- 3. The parent/legal guardian has signed all required documentation.**
- 4. The parent/legal guardian has informed our office that they will not be present during the appointment before the child comes into their appointment.**
- 5. Minor children who can drive themselves must bring written documentation from their parent/legal guardian giving permission to Carlsbad Children's Dentistry to perform any and all dental procedures.**

Permission to Treat (please print clearly below)

I, _____, give permission to Santa Margarita Pediatric Dentistry and staff to perform all dental treatment for my child _____ may need including, but not limited to fluoride treatments, diagnostic radiographs, examinations, restorations, nitrous oxide, sealants and extractions. If additional treatment is needed, **Santa Margarita Pediatric Dentistry** has my permission to perform that treatment regardless of my presence in the office.

In the event of an emergency, **Santa Margarita Pediatric Dentistry** and staff have my permission to take any and all necessary steps to ensure the safety and well-being of my child.

I understand and agree to Santa Margarita Pediatric Dentistry's Treatment of a Minor Consent and its terms.
